*The 2004 Founder's Day Dinner and silent auction celebrates the 25<sup>th</sup> Anniversaries of both the National Peace Corps Association (NPCA) and Chicago Area Peace Corps Association (CAPCA).*

*The mission of the National Peace Corps Association is to lead the Peace Corps community and others to foster peace by working together in service, education and advocacy. Through forging strong relationships with our 154 affiliated groups, the NPCA continues to guide and strengthen our community of over 36,000 volunteers through our award winning Global TeachNet activities, the NPCA Microenterprise Program and our efforts advocating for a stronger and independent Peace Corps.*

*CAPCA supports Peace Corps Volunteers in the field through the Peace Corps Partnership Program. Recent projects include those in El Salvador, Guinea, Ghana, Guatemala, Dominican Republic and Morocco. The organization recently supported a youth cultural exchange trip to Ghana, bought computers for a lab in Romania, and underwrote the construction of community water tanks in Kenya.*

*Contributions to this year's Founder's Day will enable the NPCA and CAPCA to strengthen its programs.*

*We thank you for your generous support and  
look forward to seeing you in Chicago!*
